 Wednesday 17th August, 2:00pm - 4:00pm: Green club with the Ombudsman!

Meet at the Liver Buildings, Pier Head

A few months ago we held a visit to the Ombudsman services over in Warrington. Their staff loved getting to know you lot that they've asked if they can come over to Liverpool to see you all again! So we've organised a day to go and see the 'Merseyside totemy' artwork which has been installed in town, that has a focus on climate change. After viewing the installation we will be sitting down for a craft

afternoon to create our own versions of the totems. Come along if you'd like to see the Ombudsman staff again or just if you love the sound of the activity!
